A committee that does not have a Reporting Waiver must file all required Campaign Statements. The Campaign Statements must include all applicable Schedules. Direct contributions, in-kind contributions, loans, expenditures, and outstanding debts count against the \$1,000 Reporting Waiver threshold. If any of the information listed in the items above has changed since the information was shown on the committee's Statement of Organization, an amendment to the Statement of Organization should accompany this Campaign Statement. If a request for a Reporting Waiver is not received on or before the filing deadline of a required campaign statement, that campaign statement cannot be waived.

Verification: I/We certify that all reasonable diligence was used in the preparation of this statement and attached schedules (if any) and to the best of my/our knowledge and belief the contents are true, accurate and complete.
