Dear Candidate:

As a candidate for elective office, you have filing obligations pursuant to Michigan's Campaign Finance Act. As soon as a person becomes a "candidate," he or she has **ten (10) calendar days to form a Candidate Committee**. After the committee's formation date, the candidate has **ten (10) additional calendar days to register the committee with the Macomb County Election Department**. To register, the committee files a Statement of Organization.

To assist you with committee filing obligations, we are enclosing the following materials:

- **Statement of Organization Form** - Use to register your committee with the Macomb County Clerk's office.
- **Date Sheet** - List of dates for closing of books and filing deadlines for Campaign Finance Statements if Committee does not maintain reporting waiver.

If you have any questions, feel free to contact the Elections Department at (586) 469-5209.

Sincerely,

Anthony G. Forlini
