RE: Late Contribution Filing - #139728 - CTE Henry Yanez

Dear Committee:

On July 23, 2021 we received a 3 page statement from your committee indicating that it was a Late Contribution Report. That statement was accepted by our office as reporting late contributions made to your committee.

However, in the future, please address reporting late contributions on the correct form. A Late Contribution form is enclosed for your convenience.

In addition there are several additional items to bring to your attention:

- *A date is required for all contributions. The second entry on your statement is missing the date the contribution was received.*
- *Because of the missing date, we cannot verify if this contribution meets the 48 hour reporting requirement.*
- *Your statement included a coverage period, (7/19/21 – 7/31/21) but those dates will not apply to your next filing. Your 2021 Post Primary statement should still reflect a coverage period of 7/19/21 – 8/23/21 and all activity during that time should be reported. (Including the activity on this Late Contribution Report/Statement.)*
- *The beginning balance for your 2021 Post Primary should pick up from your 2021 Pre Primary and not this Late Contribution Report/Statement. At this time, we are unable to confirm what your beginning balance would be due to several outstanding amendments.*

Please contact the Macomb County Election Department at (586) 469-5209 if you have any questions about this information.

Sincerely,

Anthony G. Forlini
Macomb County Clerk/Register of Deeds
