RE: Committee #140074 - for office of Sterling Heights Mayor

Dear Committee:

The committee of a candidate that was unsuccessful in their election must continue to file all required campaign statements until the committee qualifies for dissolution OR qualifies for a reporting waiver.

Dissolution of the Committee

If you intend to dissolve your committee, you must request dissolution on a final campaign statement. **Dissolving the committee ensures that the committee will not owe future campaign statements or incur future late filing fees.**

A committee is eligible to dissolve when they have met the following criteria:

- Disbursed all funds by reporting a final statement showing a zero balance
- Disclosed the payment or forgiveness of all debts
- Paid all late filing fees in full
- Filed all outstanding statements and amendments

Reporting Waiver

If the committee does not qualify for dissolution or does not wish to dissolve, the committee may request the reporting waiver if they qualify. A committee qualifies for the waiver when:

- The balance of the committee account is \$1,000 or less on the last filed statement
- The debt balance is \$1,000 or less on the last filed statement

A committee that qualifies can request the reporting waiver by submitting an amended Statement of Organization and selecting YES, I/We WANT TO APPLY FOR THE REPORTING WAIVER.

Denied Requests

A committee that requests dissolution or the reporting waiver that DOES NOT QUALIFY will be subject to all future filing requirements and possible late filing fees.

Contact the Macomb County Election Department at 586-469-5209 with any questions.

Sincerely,

Anthony G. Forlini
