DEPUTY COUNTY CLERK

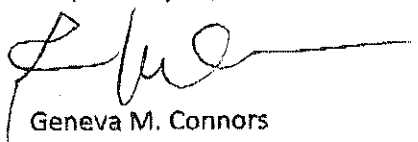

RE: Save Oak Park

Mr. Rozell, Cera:

Save Oak Park was formed by a group of citizens who are hardworking tax payers. We all had various backgrounds, financial statuses, yet what we had in common was a disagreement with how our local government ran our city and spent our taxes. Unfortunately, our zeal was not adequate enough and our efforts failed prior to launching.

A lack of volunteers and funding caused a catastrophe. The zealous group dissipated and the lack of protocol caused ignorance. I had no idea that an annual report was due or that late fees would be assessed. The group no longer exists; I am unemployed and have no means to pay \$500 in fines due to our obliviousness regarding the protocol. With that said, please grant me a waiver of the fines. Thank you for your time and consideration regarding this matter!

Respectfully so,

Geneva M. Connors
