Re: Elections Division File No. 95627

Dear Geneva Connors:

I have been notified by the Oakland County Election Division that you owe outstanding fees to Oakland County in the amount of \$1,000.00 for the failure to timely file the following reports: 2012 Annual and 2013 Annual. You have not responded to multiple notices sent to you from the County about this matter. As the Treasurer for this Committee you are responsible for paying fines for failing to file required reports.

To remedy the late reports and avoid additional fines, contact the Election Division at 248-858-0563. Payments may be sent directly to the Oakland County Treasurer in c/o Sheryl Sutherland with the reference file number listed above to the following address:

Oakland County Treasurer
c/o Sheryl Sutherland
1200 N. Telegraph Rd., Bldg 12E
Pontiac, MI 48341-0479

If you do not make arrangements with the County to remedy this situation or fail to pay the Campaign Finance fine within 30 days of receipt of this letter, I have been authorized by the County Treasurer to commence suit against you.

If I file suit I will ask for costs and attorney fees which will substantially increase the amount you owe. Likewise, the suit will be a public record and will affect your credit rating. A judgment entered in this matter could result in a lien on your property and lead to the seizure of your assets. In addition to filing a civil suit, the law provides for criminal sanctions for your failure to comply with the campaign finance law if you continue to ignore your obligation.

I encourage you to contact the County to resolve this situation or mail in the payment before the 30-day time period passes.

Very truly yours,

OAKLAND COUNTY CORPORATION COUNSEL
